

REMARKS-General

1. Applicant acknowledges the allowance of claims 21 and 22. The amended claims 23-36 are submitted to be of sufficient clarity and detail to enable a person of average skill in the art to make and use the instant invention, so as to be pursuant to 35 USC 112.

Response to Rejection of Claims 23-36 under 35USC112

2. The applicant submits that the amended claims 23-36 particularly point out and distinctly claim the subject matter of the instant invention, as pursuant to 35USC112.

The Cited but Non-Applied References

3. The cited but not relied upon references have been studied and are greatly appreciated, but are deemed to be less relevant than the relied upon references.

4. In view of the above, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the objection are requested. Allowance of claims 21-36 at an early date is solicited.

5. Should the Examiner believe that anything further is needed in order to place the application in condition for allowance, he is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
